- ♦ Dr. Diti Vyas from the field of communication to improve the soft skills in the area of Non Verbal Communication.
- ♦ She is a senior faculty at R J Tiberwal Commerce College, Ahmedabad.
- ♦ She has a Research Interest in the field of Children's Literature, Gender Studies, and Comparative Literature.

Topic : Communication skills

Introduction to topic:

Communication is both an art and a science. Although you communicate simply by being in the world, developing good verbal and body language skills involves learning and consciously using your skills to improve. The act of communicating verbally serves to convey how we feel and how we think to others.

Session

Dr.Diti Vyas addressed the students on Non verbal Communication; the main topics she focused were as follows:

- Kinesics and the ways to improve the body language.
- Different Gestures and postures were illustrated to improve the ways of body language.
- Intonation, Pitch, Volume as a part of soft skill was focused in her session.
- Space communication, Time communication with the aspect of industry was the point she shared with the students

Learning outcomes from students perspective

The session by Dr. Diti Vyas encouraged the students and improved the mannerism, behaviour an attitude towards life. The students went with Question Answer Session, which made the session more alive and full of learning.
